

Exploring my home

- Can you create an A-Z of your home by walking around the garden and your house to find something beginning with each letter of the alphabet?
- Where is your house located and what might you find in the local area? Can you create a map of your house using leaves or sticks or anything else you can find in your garden or local area? You could even try with things you have in your bedroom like beads, bricks or counters. Watch this [video](#) for an example.

What if...

You could redesign the whole area around where you live? What would you change?

Use Digimap to find a map of your local area to redesign.

Explain why you have chosen to make the changes you would to your map in terms of physical and human geography. For example, 'I would place this building next to the river, because...'
