

Dear Parents/Carers,

Great news! During our school's closure your child can now read and quiz at home using the websites MyON and Accelerated Reader. MyON is an online, digital library which gives your child access to over 6,000 fiction and non-fiction e-books. Once your child has selected and read a book from MyOn they will be able to quiz as they would in school, from home using Accelerated Reader. Please follow the steps below to access both MyON and Accelerated Reader.

MyON (Reading) Steps to success:

1. Using an iPad, tablet, laptop or PC (not a mobile phone) type <http://readon.myon.co.uk> into your internet search bar. Alternatively you can find the direct link on the 'Home Learning' page on the website.

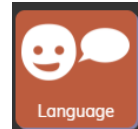

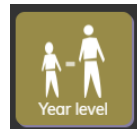

2. Press the 'Start Reading' button.

3. Press the 'Search' key.

4. Click the filter button to choose your child's year group and language option. Be sure to select English (UK).

5. Press the 'Search' icon.

6. Choose a book and click the green 'Read' button.
7. Click 'Start the book'.
8. Enjoy!

Accelerated Reader (Quizzing) Steps to success:

1. Once you are ready to quiz use an iPad, tablet, laptop or PC (not a mobile phone) and type in <https://ukhosted38.renlearn.co.uk/6699423> into your internet search bar. It is **essential** that you use this **exact** link as this is specific to our school.
2. Log into **Accelerated Reader** using the same details as used in school.
 - ❖ **Username:** (First letter of your child's first name and first three letters of their surname)
 - ❖ **Password:** abc
3. Click on the orange 'Accelerated Reader' button.
4. Type in the book title into the search bar.
5. Choose the specific book and press 'start quiz'.

Thank you for your continued support,

Miss Batley

Reading Co-ordinator

If you have any problems accessing either website please email me.
