

Phonics at Parkside

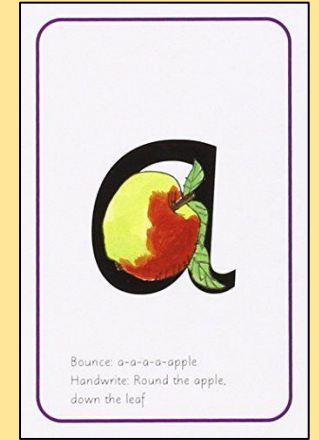

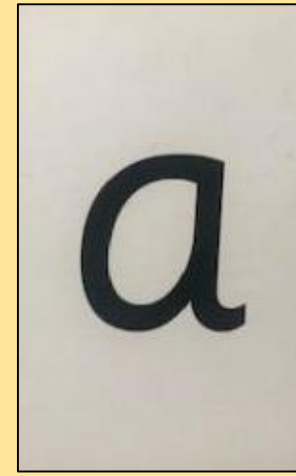

What is
phonics?

Phonics is an approach to teaching reading, by developing children's knowledge and understanding of the relationship between written symbols and sounds.

The terms used
in phonics

phoneme

The smallest unit of sound.

There are approximately 44 phonemes in English (it depends on different accents). Phonemes can be put together to make words.

grapheme

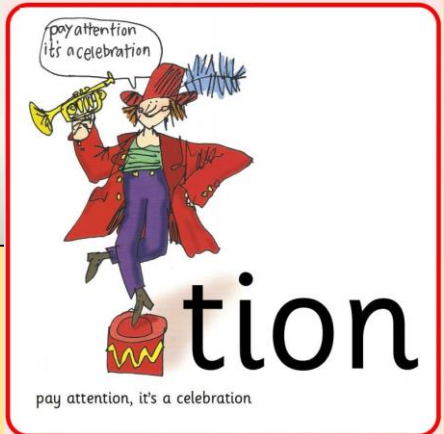

a

sh

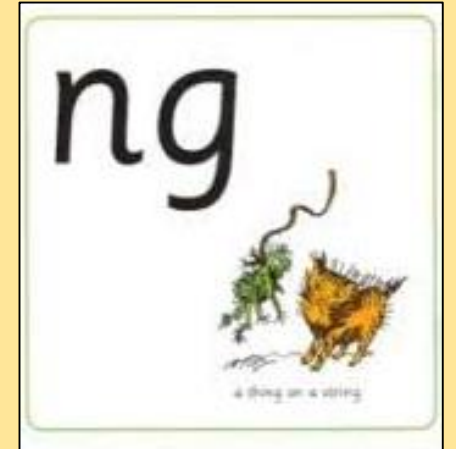

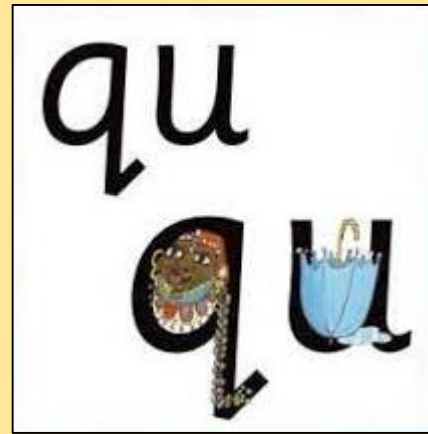

A representation
of a phoneme.

igh

digraph

A grapheme containing two letters that makes just one sound (phoneme).

'Special friends'

split-digraph

a-e

e-e

A split digraph is a vowel digraph that is split by a consonant.

o-e

phone home

trigraph

igh

ire

A grapheme containing
three letters that makes
just one sound (phoneme).

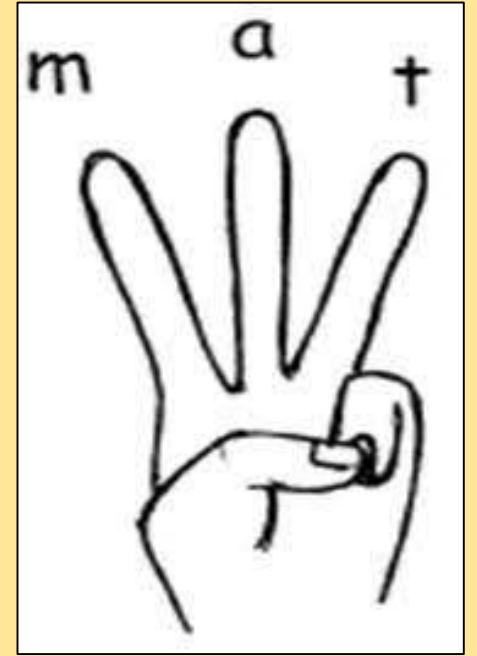

blending

sat

Looking at each grapheme and working out which sound/ grapheme represents and then merging these phonemes together.

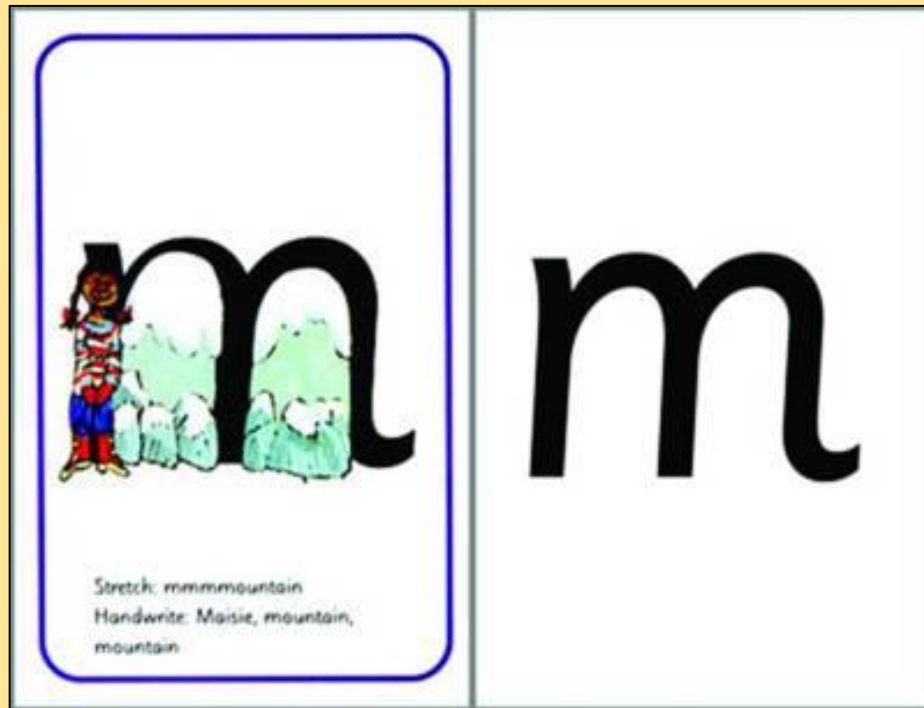

segmenting

spelling

This involves hearing a word, splitting it up into the phonemes. Then writing the graphemes in the correct order.

Reading at home

During the first few weeks at school your child has been learning the first few sounds in Set 1.

 Sound: cccccc Handwrite: C around the caterpillar	 Sound: kkkk kangaroo Handwrite: Draw the kangaroo's body, tail and leg	 Sound: uuuuuuuuu Handwrite: Draw and colour, up to the top and down the puddle	 Sound: bbbbbb Handwrite: Draw the beaver in the boat, round the top	 Sound: fffffff Handwrite: Draw the fence, and draw the fence

cot ...	can ...
kit ...	mud ...

Reading at home

As your child learns more sounds and are able to 'blend' these sounds to read words then they will start to take home real books.

Reading at home

The books that are sent home each week are closely matched to the level of books that are read at school during the daily phonic sessions.

Reading at home

At **the** end **of the** day, Miss Jay
and **the** class **put** things away.

When **the** class is away,
we can still play!

Year 1

Phonics Screening Check

June 2023

Year 1: Phonics Screening Check

The phonics screening check is a quick check of your child's phonics knowledge. It helps the school confirm whether your child has made the expected progress. Your child will sit with a teacher and will be asked to read 40 words aloud. The check normally takes a few minutes. The check is carefully designed not to be stressful for your child.

decode

Year 1: Phonics Screening Check

We will inform you on your child's progress towards the end of the Summer term. If your child found it tricky we will inform you of what support we have put in place to help them improve and what you can do at home to help them as well. Children who have not met the standard will retake the check when they are in Year 2. All children are individuals and all develop at different rates.

The screening check ensures that teachers understand which children need extra help with phonic decoding.
