Parkside Primary School

HOMEWORK MATRIX
YEAR 1
AUTUMN TERM 2

The activities below are OPTIONAL.
This matrix gives the children additional learning activities to do at home (with or without adult support). These activities relate to the topics being taught in class.

SCIENCE
Draw and label a picture of 3 animals you can see from a window. Describe their features.

COMPUTING
Go on a maths game for 10 minutes every day- (Ask an adult).

MUSIC
Practise the words and actions to a Christmas song you are singing this year. Perform it at home.

HISTORY
Draw a picture of a room in your home. Why do you like this room?
How would this room look in the past?

DESIGN AND TECHNOLOGY (D.T)
Look around your home (ask an adult). Find something that can move. How do you think it moves?

PHYSICAL EDUCATION (P.E)
Practise your balancing skills. Can you balance on one leg? How long for? Challenge yourself.

RELIGIOUS EDUCATION (R.E)
Write and draw about 3 things that you think are important.
