Parkside Primary School

HOMEWORK MATRIX
YEAR 2
AUTUMN TERM 2

The activities below are OPTIONAL.
This matrix gives the children additional learning activities to do at home (with or without adult support). These activities relate to the topics taught in class.

SCIENCE
Can you make a list of things at home that are living, have never lived and are dead? Explain how you know!

COMPUTING
How can you stay safe online?
Remember : S.M.A.R.T

MUSIC
Practise the words and actions to a Christmas song you are singing this year. Perform it at home.

HISTORY
Research more about the poppy and why it is used to commemorate the First World War (ask an adult). Design your very own poppy.

DESIGN AND TECHNOLOGY (D.T)
Research a designer of your choice (ask an adult). What did they design? Could you recreate their design?

PHYSICAL EDUCATION (P.E)
Practise some different jumps (eg. tuck, star and twist). Show an adult at home.

RELIGIOUS EDUCATION (R.E)
Explore and research what Christmas looks like in other countries around the world. Write down what you learn.
