Parkside Primary School

HOMEWORK MATRIX
YEAR 3
AUTUMN TERM 2

The activities below are OPTIONAL.
This matrix gives the children additional learning activities to do at home (with or without adult support). These activities relate to the topics taught in class.

SCIENCE
Create a poster all about the 3 types of naturally occurring rock.

COMPUTING
What are the 'step-by-step' instructions to send an email safely? Write the instructions down.

MUSIC
Practise the words and actions to the Christmas songs you are singing this year. Perform it at home. Write about it.

HISTORY
Create your own Stone Age artwork. Think about colour and shape. Research examples online or in books.

DESIGN AND TECHNOLOGY (D.T)
Why is it important to recycle? Create a fact file about this important topic.

PHYSICAL EDUCATION (P.E)
Create a movement sequence- Think about adding different jumps. Perform this sequence at home.

RELIGIOUS EDUCATION (R.E)
What have the most important parts of Year 3 been so far? Write them down and explain.
