Parkside Primary School

HOMEWORK MATRIX
YEAR 6
AUTUMN TERM 2

The activities below are OPTIONAL.
This matrix gives the children additional learning activities to do at home (with or without adult support). These activities relate to the topics taught in class.

SCIENCE
Draw a diagram of the human heart. Label your diagram.

COMPUTING
Maths Rock Star
Espresso
Oddizzi

MUSIC
Practice the words to Christmas Carols we are singing this year. Which song do you enjoy singing the most and why?

GEOGRAPHY
Revise all the work we have covered so far about volcanoes and earthquakes.

DESIGN AND TECHNOLOGY (D.T)
Research different designs on T Shirts. Draw one of your favourites and write an explanation of why you like it.

PHYSICAL EDUCATION (P.E)
Try balancing on different part of your body. How many different ways can you find to balance? Hold each balance for at least 5 seconds.

RELIGIOUS EDUCATION (R.E)
Research how other countries celebrate Christmas. Compare to traditions in the U.K.
