

Writing Day 2025!

We are sure all the children, parents and carers were very surprised yesterday. When they arrived at Parkside Primary School, they discovered that the superheroes had arrived! However, three sneaky villains had also arrived too! They were trying to take everything that makes Parkside 'Proud to Shine' like our growth mind-set and even shine badges. Luckily our children produced amazing writing to defeat them! Well done to them!

Writing activities throughout the day included:

Nursery-

Descriptive words for super powers

Year 1-

Imaginative superhero adventures

Year 3-

Inventing characters and creating comic strips

Year 5

Narrative-Superhero origin stories

Reception-
Character descriptions

Year 2-

Diary writing in-role as a superhero

Year 4-

A detailed character description

Year 6

Narrative-Writing a dramatic scene

Mrs Cousins and Ms Warriner would like to say a massive thank you to all the staff who worked so incredibly hard to make our 'Superhero' Writing Day such a success! **Look out for more pictures on our website: www.parksideprimaryschool.org and also follow us on X (Twitter): @parkside21e4, Facebook and Instagram.**
