

Parkside Primary Music Newsletter

Friday 13th June 2025

Dear Parents/Carers,

Music has been a vibrant part of school life this year, with highlights including our whole-school Music Day and the choir's unforgettable performance at Young Voices. Children across the school have embraced musical learning: In EYFS and KS1, children have explored music through singing, playing instruments and listening activities, Year 3 have been playing recorders, Year 4 have played trumpets and Years 5 and 6 have developed their skills on the guitar.

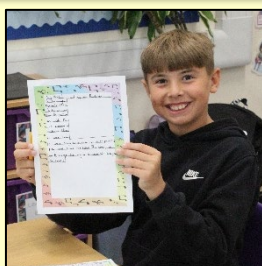

It's been a fantastic year of creativity, confidence and connection through music!

Thank you for your continued support.
Miss Luckie, Music Coordinator

Music Day

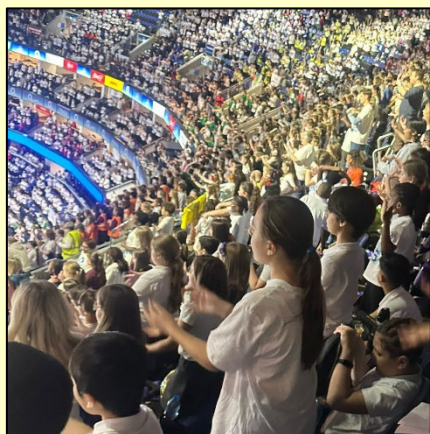

Music Day was a fantastic celebration of creativity and learning, with children immersing themselves in the world of classical music through a wide range of fun and educational activities. From designing their own instruments and exploring musical stories to creating posters, timelines and testing their knowledge in music quizzes, the day was filled with excitement. The music-themed costumes were a real highlight and our classrooms were filled with rock stars, pianos, disco dancers and more! It was a joyful, memorable day that truly brought music to life.

Our school choir took part in Young Voices 2025 at London's iconic O2 Arena, joining over 8000 children from across the UK in what is the world's largest children's choir concert. After months of dedicated rehearsals, the choir delivered an electrifying performance, singing alongside professional artists and contributing to a truly unforgettable evening.

Young Voices

Music at Parkside

This term, Year 2 – Year 6 have been working hard in preparation for their musical showcases, which they have performed or are due to perform to their peers, parents and carers. The children have shown great dedication in rehearsing and developing their musical skills and the performances so far have been a fantastic celebration of their progress and confidence. We look forward to the final performances this Summer Term.

Currently the children are preparing for our whole-school musicality performances in July. These events will showcase the musical progress and dedication of all year groups and we look forward to seeing you there.
