KEY EVENTS

This year has already been full of amazing activities enriching the life skills of all our pupils at Parkside. We are very proud of the effort that our students put into discussing important issues such as keeping safe, water safety, people who help us, online safety, being responsible, charity and Anti-Bullying.

Here are some highlights.

ANTI-BULLYING WEEK

This year we celebrated Anti-Bullying week, the theme was: choose respect.

We had whole class discussions about what is unique and special and how to treat people.

RED NOSE DAY

The whole school enjoyed a non-uniform day to raise funds for charity!

CHILDREN'S MENTAL HEALTH WEEK

We enjoyed a positive week where classes talked about the theme: Know yourself, grow yourself and were encouraged to try new daily activities to keep their minds happy. Year 4 experienced a wonderful yoga session with Emma Pierce which provided some practical tips on how to identify stronger emotions and to keep calm. Miss Ooi and the student council lead a fantastic assembly in front of the whole school, discussing the importance of taking care of your own mental health.
