

HOMEWORK MATRIX

YEAR 1

AUTUMN TERM 1

The activities below are OPTIONAL.

This matrix gives the children additional learning activities to do at home (with or without adult support). These activities relate to the topics being taught in class.

SCIENCE

Go on a sense hunt! Use your 5 senses around your house – what do you...

See? Smell? Hear? Taste? Feel?

COMPUTING

Go on a maths game for 10 minutes every day- (Ask an adult).

MUSIC

Listen to your favourite song. Use different parts of your body to find the beat/rhythm. Could you clap, click or pat your knees?

GEOGRAPHY

Write a list of the shops that are closest to your house. Talk to an adult about what you like about living in Chingford.

ART AND DESIGN

Draw a picture in the style of your class artist.

Research about your artist.

P.E

Hop 10 times on each leg every day- Can you challenge yourself?

RELIGIOUS EDUCATION

Draw a picture and write about 3 people who care for us.

PSHE

Draw a picture showing the different things you want to do in school this year.
