

HOMEWORK MATRIX

YEAR 5

AUTUMN TERM 1

The activities below are OPTIONAL.

This matrix gives the children additional learning activities to do at home (with or without adult support). These activities relate to the topics being taught in class.

SCIENCE

What planet would you like to visit and why?
Why couldn't you actually visit it?

COMPUTING

Timestables Rock Star
Espresso
Oddizzi

MUSIC

Practise the words to a Parkside song.

GEOGRAPHY

Research what the highest mountains in the world are called and where they are.

ART AND DESIGN

Draw a picture in the style of your class artist.
Research about your class artist.

P.E

Practise throwing a ball in the air and catching it. How many times can you do this without dropping it? If you don't have a ball use a soft toy. How can you challenge yourself?

RELIGIOUS KNOWLEDGE

Write about...
What is so important about listening and sharing?

PSHE

Write about your aspirations for this year in school.
